COMPANY PROFILE 2025

INTRODUCTION

Professionalism,
dependability, and long-term
value for every client and
every project.

At WORLD PEARL LIMITED COMPANY, we do more than deliver services — we build solutions that keep businesses running, projects moving, and operations performing at their best. With a strong foundation built on quality, commitment, and technical excellence, we support companies across construction, industrial, commercial, and facility sectors through reliable workforce, equipment, maintenance, and project solutions.

About Us

WORLD PEARL LIMITED COMPANY is a diversified service provider delivering integrated solutions in construction, manpower, equipment rental, trading, facility management, maintenance, and technical services.

Built on years of expertise and a commitment to excellence, we serve a wide range of industries including contracting, infrastructure, industrial operations, manufacturing, real estate, and public facility sectors. Our approach is simple yet powerful — Provide the right resources, the right equipment, and the right expertise at the right time.

Through our qualified workforce, modern machinery, strong project management standards, and client-first mindset, we continue to grow as one of the region's reliable partners for end-to-end operational and construction support.

More than a service provider, we are a strategic ally — delivering manpower, maintenance, equipment, civil works, and facility solutions that enable businesses to operate smoothly and efficiently.
